Date.	To whom sent.	Notes and instructions.

Sent To

The Chief Engineer Public Works Department, Bombay,
BOMBAYThe humble application of Kamalabai K. R. Pandit,
C/O R. N. Pandit, Irrigation Mastery, Mundgod, Sirsi Sub-Div.

Respected Sir,

My husband Shri. R. N. Pandit who is working as an irrigation mastery at Mundgod in Sirsi Sub-Division, has put in a service of 22 years in the P.W.D. and more than 1/2 of his whole service has been put in in areas of malarial climate. Due to this the health of my husband and that of mine is reducing and due to the frequent abortions that took place due to the malarial climate in which we are made to pull on our days for more than 1/2 period of my husband's service, I am unfortunate enough to be contented with the giving of birth to only one girl. Here to the before I had produced a medical certificate from the Civil Surgeon, Karwar to the effect that we are not in a position to pull on our days in place of malarial climate and accordingly my husband had been transferred to coastal place and about 2 years back he has again been transferred to Mundgod taluka which is famous for its malarial climate. I applied for the transfer of my husband to coastal places in the strength of the medical certificate granted by the Civil Surgeon, to the Executive Engineer, Karwar, the Executive Engineer, Irrigation Division, Dharwar, the Superintending Engineer, Southern Circle Belgaum and the Superintending Engineer Karnatak Irrigation Circle, Dharwar many a times, but a reply from the Executive Engineer, Dharwar Irrigation Division was received that he was willing to spare my husband's services but the authorities of Kanara Division were unwilling to get my husband's services to their Division. On receipt of this reply my husband applied to the Executive Engineer, Kanara and he was informed that he is willing to get the services of my husband to his Division but was stated that the authorities of Dharwar Irrigation Division are not willing to transfer his services to Kanara Division. Seeing that our genuine request being crippled at every representation we have been made a victim to sorrow in spite of the opinion of the Civil Surgeon. There is none to look upon me except one girl if any thing bad is caused to my husband due to the malarial climate of this taluka. He has put in more than 22 years service in the Department and he sufficiently aged and can work better even in this stage if transferred to coastal talukas.

I, therefore, request your honour to kindly order my husband's transfer to coastal Talukas, from Mundgod.

Finding none who could consider my genuine request and help me in my critical position, I decided to approach you in the matter and I retain a strong belief in me that you would be graceful enough to help me treating me to be your own sister for which act of kindness, let Great God bless you for your long life and prosperity.

Mundgod).

Yours Faithfully,

Dated 2-4-1952

S. A. D. S. S.

Shrimati Kamalabai R. Pandit, wife
 of Shri R. N. Pandit, Irrign. Maistry, ^{in the Sirsi Sub-Div. Handgod} has
 represented for the transfer of her
 husband to some coastal place due
 to indifferent health of both. It seems
 from the application that the request
 for transfer has been supported by
 a medical certificate from the C.S.,
 Karwar. Shrimati Pandit has approached
 Govt. due to cross-replies received by
 her - vide portion 'X' of the representation
 at p. 1 ante. Copies of the replies
 received by Shrimati Pandit have not
 been forwarded by her. The application
 has also been endorsed to several
 officers. Normally, no action would be
 called for on such a representation.
 However as there appears to be some
 force in the representation, a report
 from the S.E., S.C. and the K.J.C.
 may be called for. The draft
 put up may issue, if approved.

No.G-51.

Dharwar Irrigation Division,
Dharwar: 8th May 1952.

To

The Superintending Engineer,
Karnatak Irrigation Circle,
Dharwar.

Subject:- Representation dated 2-4-1952,
from Shrimati Kamalabai R.Pandit.

Reference: Your endorsement No.G-51, dated
26-4-1952.

A copy of the above representation has not been received in this office and therefore, the contents therein are not known.

2. Shri.R.N.Pandit, Maistry, who was transferred enbloc from the Kanara Division to this Division, with effect from 16-4-1950 had applied several times in the past for his retransfer to Kanara Division and on no occasion, his request for transfer to that Division was refused by this office. In fact, I had proposed to the Executive Engineer, Kanara Dn. to take Shri.Pandit without a substitute but when he disagreed and suggested the names of Karkuns in exchange, I agreed to this proposal also in order to end this episode vide correspondence resting with this office letter No.G-51, dated 16-10-1950, addressed to the Executive Engineer, Kanara Division, copy endorsed to you. But in the meanwhile, Shrimati Kamalabai, wife of Shri.R.N.Pandit, made a representation, dated 7-10-1950, to the Chief Engineer, P.W.D., Bombay, and copy to the Superintending Engineer, Southern Circle, Superintending Engineer, K.I.C., Executive Engineer, Kanara....

8

Kanara Division and Executive Engineer, Dharwar Irrigation Division. In response to this representation, the Superintending Engineer, Southern Circle, replied that Shri.Pandit should ask for a change of place in the Dharwar Irrigation Division only vide his letter No.G-51, dated 15-11-1950(copy attached). The Executive Engineer, Kanara Division, on the strength of the Superintending Engineer, Southern Circle's reply has dropped the question of transfer of Shri.Pandit vide his letter No.G-51, dated 23-11-1950(copy attached).

3. Shri.Pandit was then asked by me as to whether he wanted any change of place in this Division only to which he replied in the negative.

4. In conclusion, I may point out in this connection that I have no objection whatsoever to spare the services of Shri.R.N.Pandit, Maistry to Kanara Division with or without any substitute on this occasion also.

Subject:- Application of Shri.R.N.Pandit,
Maistry for a transfer..

Reference: Your letter No.G-51 of 16-10-1950.

The Superintending Engineer, S.C., has recently decided (vide copy of this No.G-51 of 15-1-50 enclosed) that Shri.R.N.Pandit should approach you for a change of place in your Division. It will not be possible to appoint Shri.Pandit to a Roads and Buildings beat in this Division. The question of his transfer to this Division may therefore please be dropped.

Sd/-
Executive Engineer,Kn.Dn.

No.G-51

Public Works Department,
Belgaum: 15th November 1950

To

Shrimati Kamalabai,
Wife of Shri.R.N.Pandit, Maistry,
Mundgod (N.Kanara).

Subject:- Transfer of Shri.R.N.Pandit, Maistry.

Reference: Your application dated 7-10-1950.

Dear Madam,

Your application dated 28-4-1950 for the transfer of Shri.R.N.Pandit, Maistry was duly replied to, by the Executive Engineer, Kanara Division under his No.G-51/CB of 15-5-1950 and hence no separate reply from this office was considered necessary. As Shri.R.N.Pandit Maistry is now working under the Executive Engineer, Dharwar Irrigation Division in the Karnatak Irrigation Circle, he may approach that officer for a change of place, if necessary.

Yours faithfully,

Sd/-
Superintending Engineer, S.C.

No.G-51.

Karnatak Irrigation Circle,
Dharwar, . 15th May 1952.

To

The Chief Engineer to Government,
Public Works Department,
Bombay.

Subject:- Representation of Shrimati Kamalabai R.Pandit, for the transfer of her husband, Shri.R.N.Pandit, Maistry.

Reference: Government letter P.W.D.No.NS-93/ 75
32947-F, dated 18-4-1952.

2. Shri.R.N.Pandit, Maistry, who was working in Kanara Division, was transferred to Dharwar Irrigation Dn. along with the two Irrigation Sub-Divisions with effect from 16-4-1950. Shri.Pandit had applied several times in the past for re-transfer to Kanara Division and the Executive Engineer, Dharwar Irrigation Division, recommended his request on every occasion, even agreeing to spare him without a substitute.

3. However, when Shrimati Kamalabai R.Pandit represented to the Chief Engineer to Government, P.W.D. on 7-10-1950 regarding her husband's transfer, the Superintending Engineer, Southern Circle, suggested that Shri.R.N.Pandit, Maistry, should apply for a change of place in Dharwar Irrigation Division only which has jurisdiction over a part of North Kanara District - vide Superintending Engineer, Southern Circle's No.G-51, dated 15-11-1950 (copy attached). After this, the Executive Engineer.

150.

Engineer, Kanara Division dropped the question of transfer of Shri. R.N.Pandit - vide his No.G-51, dated 23-11-1950(copy enclosed).

3. The Executive Engineer, Dharwar Irrigation Dn.x then enquired with Shri.Pandit whether he wanted any change of place in that Division only, to which he replied in the negative.

4. There is no objection to the transfer of Shri.R.N. Pandit, Maistry, to Kanara Division with or without a substitute, if the Superintending Engineer, Southern Circle and the Executive Engineer, Kanara Division agree to take him.

5. A copy of the Executive Engineer, Dharwar Irrigation Dn's letter No.G-51 dated 28-5-1952 is enclosed for perusal

To

The Superintending Engineer,
Southern Circle, Belgaum.

An humble application of R.N. Pandit, Village Water
Supply mestry, Mundgod, Sirsi Sub-Division, Village
Water Supply.

Sir,

I beg to lay before your Honour the following few lines
for your kind consideration and action.

I am posted as a Mestry in Village Water Supply Sub-
Division, Sirsi. Since I am 47 years old, I am not in a posi-
tion to get down in the well and inspect the work and moreover
I am not able to ride a bicycle in villages which are situated
in the interior part of the forest. Generally, this work can
be done only by young people who are below forty years of age.
So, I beg your honour on my bended knees to transfer me to
roads and buildings Department in P.W.D. In this connection, I
beg to bring to your kind notice that I had applied to the
Executive Engineer, Kanara Division on 9-1-1950. But, I had
received an order under No. G.51/CB, dated 3-2-1950 stating that
I cannot choose a particular beat which I like and I should
earn better recommendations from the Sub-Divisional Officer
under whom I am posted for consideration of my case.

So, I cannot expect good recommendations from Sub-
Divisional officer when I am working in V.W.S. Department and if
I am to get good recommendations from S.D.O. then it is possible
only if I am transferred to roads and building Department.

In these circumstances, I will be ever grateful to your
Honour if I am transferred to Roads and Building Department in
Public Works Department. For this act of kindness, I will be
every grateful to you.

Thanking you in anticipation,

Yours most obediently,

Sd/- R. N. Pandit.

Kumta, 20-3-1950.

No. G.51/CB.

Office of the Ex.Engineer, Kan.Dn.,
Karwar, 11th May 1950.

To

The Superintending Engineer, Southern Circle,
Belgaum.

Subject :- Transfer of Shri R.N.Pandit.
Representations from Shrimati
Kamalabai Pandit and Shri R.N.Pandit.

Reference: Your Nos.G.51 of 22-3-1950, G.51 of 25-3-1950
and G.51 of 20-4-1950.

Referring to applications dated 3-3-1950 from Shrimati
Kamalabai R.Pandit and two applications dated 20-3-1950 and
13-4-1950 from Shri R.N.Pandit, I have to state as under :-

During the total period of service of about 21 years of
Shri R.N.Pandit, on T.C. and Permanent Establishment, it is seen
from his service book, that Shri R.N.Pandit has worked for about
only 6 years 2 months in bad climate places. He was ~~and was transferred~~
~~transferred~~ transferred to Kumta Sub-Division from Halival Sub-
Division and was holding charge of Ankola beat from 17-5-1946.
According to his turn for promotion he was promoted as Maistry
from 11-11-1947 and employed on V.W.S. works at Kumta like other
Karkuns promoted as Maistries against the sanctioned posts of
Maistries for V.W.S. works. Thus he was in Kumta Sub-Division
from 17-5-1946 to 15-2-1950 i.e. about 3 years and 9 months be-
fore his present transfer. So, he was ordinarily due for
transfer though he could have been shifted even earlier from
the Administrative point of view. But the present transfer of
Shri R.N.Pandit was necessitated by special circumstances as
explained below.

2. The Sub-Divisional Officer, Kumta ~~was~~ all along reporting
against Shri Pandit's work and conduct. The increment due to
Shri R.N.Pandit on 29-11-1948 had on account of his unsatisfact-
ory work to be postponed for one year (for six months at first
and then for further six months when no improvement was seen)
as per this office Establishment Order No. G.50/CB of 15-2-1949
and 3-1-1950. There were very bad reports from the S.D.O. about
Shri Pandit's work and conduct and on that account Shri Pandit
in fact deserved to be more severely dealt with, at least demoted.
He was found to show slackness in and want of proper interest in
his work, arrogant and insubordinate to his superiors. Even in
the matter of submission of his diaries, he was lax and in-
accurate and prone to make false statements. The S.D.O., Kumta,
did not want him in his Sub-Division at all.

However, inspite of these bad remarks against him, I
dealt with him with leniency and left him off with a postpone-
ment of increment and a severe warning (a note of which was
ordered to be made in his service book). To give him a further
chance to show improvement under another S.D.O., I transferred
him to V.W.S. works at Mundgod when an opportunity arose for
transfer of another subordinate in the interest of public
service rendering necessity of transfer of both these subordi-
nates. Shri Pandit was not worth entrusting with charge of
any (R. & B.) beat and M.Roll for which he is agitating. It was
for him to endeavour to merit it by showing improvement and
interest in his work in his new environments for which he was
given the chance which was also in his interests.

3. The contention of Shri R.N.Pandit that he was transferred
to Mundgod purposely for being transferred to Dharwar Irrigation
Division and that he should not have been transferred to
Mundgod etc. etc. is absolutely baseless and false and he
deserves to be suitably dealt with for making such allegations
against his Executive Engineer particularly in view of the
leniency shown towards him apart from disciplinary view. He
pleads old age and states that he is unable to ride cycle. If that

be

be the case, he is unfit for routine out-door work. He should proceed on long leave and recoup health. Shri Pandit is not the only man of his age on V.W.S. works. There are others similarly employed and at least one senior to Shri Pandit in age. If he is unable to do work on wells, he can be posted to tank works by the S.D.O. (V.W.S. and Irrigation), Sirsi. The transfer order of 1948 referred to by him is no longer valid.

4. In short, this maistry Shri R.N. Pandit wants a sinecure job. As stated above, he was found not only inefficient, but also mischievous and a constant shirker of work. The present method adopted by Shri Pandit to approach higher officers through repeated representations from himself and from his wife one after the other is required to be discouraged. Besides the contents of his arguments in his application dated 14-4-1950 are most objectionable for which he deserves to be dealt with suitably. Such tendency on the part of Government servants needs to be discouraged as if countenanced it will set up a very bad precedent in the department and other. Government servants will be apt to resort to it if this tendency is not checked.

5. In the circumstances explained above, it will be seen that no injustice whatsoever is done to Shri Pandit. On the contrary he was dealt with very leniently. His wife may be informed accordingly.

6. Since Shri Pandit like all other staff on V.W.S. works that was to go over is transferred to Dharwar Irrigation Dn., there is no special case to take him back as a matter of claim on his part. However, on another application from Shri Pandit addressed to the Deputy Engineer, Sirsi V.W.S. received through the Executive Engineer, Dharwar Irrigation Division, it is being ascertained as to whether any maistry in this Division is willing for transfer to Dharwar Irrigation Division in Shri Pandit's place and ~~xxx~~ if there be any willing, their names will be proposed to the Executive Engineer, Dharwar Irrigation Division. It is suggested that no further representations to you from Shri Pandit be entertained and he be informed accordingly with a warning for representing matters in the way in which he has done.

7. The three applications referred to above are submitted herewith.

Accmpts: 3.

Sd/- G.N. Godse,
Executive Engineer, Kanara Division.

No. G.51.

Office of the
Superintending Engineer, S.C.,
Belgaum: 14th June 1952.

From The Superintending Engineer, Southern Circle.
To The Chief Engineer, Public Works Department,
Bombay.

Subject :- Representation from Shrimati
Kamalabai R. Pandit for the
transfer of her husband Shri
R.N. Pandit, Irrigation Maistry
in the Sirsi Sub-Division.

1. Reference: Government (Public Works Department) Letter
No. NS 93/32947 F, dated 18-4-1952 and NS 93/47153 F, dated
26-5-1952.

2. The circumstances leading to the transfer of Shri R.N.
Pandit, Maistry from Ankola, a coastal place in the Kanara
District, to Mundgod in the same District are detailed by the
Executive Engineer, Kanara Division in his Confidential letter
No. G.51/C.B., dated the 11th May 1950 (copy attached).

3. From para. 1 thereof, it will be seen that before his
transfer to Mundgod on 16-2-1950, Shri Pandit was in Ankola
for 3 years - 9 months and was thus due for transfer. It will
also be seen therefrom that he was badly reported upon by his
superiors because of his slackness and inaccuracy in work and
insubordinate and mischievous behaviour.

4. As regards Shri Pandit's wife's statement that of 22
years service rendered by her husband, three fourths was in
malarious climate, the Executive Engineer's report will show
that Shri Pandit had then put in only about 6 years service
in bad climate.

5. From the accompanying copy of application, dated 20th
March 1950 from Shri Pandit, it will be seen that he wants a
transfer to Roads and Buildings section only and does not want
to serve in Village Water Supply Section. From para. 3 of
Superintending Engineer, Karnatak Irrigation Circle's letter
No. G.51, dated the 15th May 1952, it will be seen that Shri
Pandit, when asked to state whether he wanted any change of
place in the Dharwar Irrigation Division, replied in the
negative. This shows that as remarked by the Executive Engineer,
Kanara Division in his letter referred to above, Shri Pandit
wants a sinecure job for which he is agitating since the date
of his transfer to the Village Water Supply section. Such a
tendency on the part of a Government servant cannot be encouraged
and accordingly when he and his wife too represented to this
office against his transfer to Dharwar Irrigation Division,
they were informed that Shri Pandit's transfer was ordered after
full consideration and that the order should be accepted and
worked.

D.A. 1 copy of Shri Pandit's
application.

2. This is a representation from Shrimati Kamalabai R. Pandit of Mundgod, regarding transfer of her husband -- Shri R. N. Pandit, maistry -- to a coastal place. Shrimati Pandit states that her husband has put in about 22 years service in P.W.D., out of which $\frac{1}{2}$ of service has been rendered in places infested with malaria. Both of them are not keeping good health. She also produced medical certificate from the Civil Surgeon, Karwar. In view thereof, Shri Pandit was transferred to a coastal place. But after two years he has been retransferred to Mundgod which is famous for bad climate. Shrimati Pandit, therefore, requests that her husband may be transferred to a coastal place.

The S.E., K.I.C., and the S.E., S.C., were requested to offer remarks in the matter, vide G.L. No. NS 93/32947 F, dated the 18-4-52.

3. The S.E., K.I.C., states that Shri Pandit, who was working in the Kanara Dn. was transferred to the Dharwar Irrigation Division along with two Irrigation Sub-Dns. on 16-4-1950. Shri Pandit had applied for several times to the S.E. for his transfer to Kanara Dn. The S.E. was prepared to relieve him even without a substitute, but the S.E., S.C., suggested that he should ask for transfer in the Dharwar ~~Dn~~ Irrigation Dn. which has jurisdiction over a part of the North Kanara District. Thereupon, Shri Pandit was asked whether he desired any change of place in that Dn., but he replied in the negative. The S.E. is willing to relieve him without a

substitute....

22

substitute, provided the S.E., S.C., is willing to take him back.

7 21

4. From the report received from the S.E., S.C., it is observed that Shri Pandit worked in Kumtha Sub-Dn. for a period from the 17-5-46 to the 15-2-1950. He has, therefore, put in 3 years and 9 months service in the bad climate and not $\frac{3}{4}$ of his 22 years' service as stated by Shrimati Pandit. Shri Pandit's work and conduct were found unsatisfactory. Not only that, he was ^{found} arrogant and insubordinate to his superiors. It was, therefore, proposed to demote him as a karkun. The Ex. Engr., Kanara Dn., however, took a lenient view and let him off with a postponement of increment and a severe warning. In order to give him chance to show improvement, he was transferred to V.W.S. Section at Mundgod on the 16-2-50. The S.E. has also reported that since his transfer to the V.W.S. Section, Shri Pandit is agitating for transfer to Roads and Buildings Section. When he was asked for change of place in the Dharwar ^{irrigation} Dn., he gave a negative reply in the matter. The S.E. has also informed Shrimati Pandit that her husband has been transferred after full consideration. In the circumstances, Shrimati Pandit may be informed that her request for transfer of her husband to a coastal place cannot be granted.
